Accommodation	: Mr. N. M. Deshmukh Dr. R. Shivaraman

With Best Compliments From

VJ Instruments is a Company engaged in the production of Scientific Instruments with a "difference". With an intention of technical modification and invention in the field of Pharmacy, Clinical research and General Chemistry, we supply range of world class products which comply to quality standards and "ease in use". We believe, "Better quality and service with innovation always score more."

Our Products KYMGRAPH (Penet Penetration)	TABLET COATING MACHINE (Lab Scale)	DOUBLE CONE BLENDER (Lab Scale)
		
SOLAR WATER	FUME HOOD	METALIC ARIATOR

Exclusive Distributor for:
JASCO International Company Limited., Japan
Range of JASCO Products

Spectroscopic Instrument:

V-600 Series	FP-6000 Series	FTIR-4000/5000 Series	Dissolution Tester DT-410
			
Raman Spectrometer NRS-3000	Polarimeter P-2000	CD Polarimeter J-815	
			

Chromatography Instrument:

X-LC Liquid Chromatography	HPLC-2000 Series	SFC/SFE System
		

Also Distributors for:

 Japan	Biologic Science Instruments France	HFETCOV Co., Ltd. Japan	AGL TRON U.S.A.
			
Gas Chromatograph	Stopped Flow Module	Waterproof Pocket Sized pH Meter	Raman Spectrometer

INDIAN PHARMACOLOGICAL SOCIETY
&
SMT. KISHORITAI BHOJAR COLLEGE OF PHARMACY
Kamptee

jointly organizes

TWO DAYS WORKSHOP ON
"Surgical and Behavioral Techniques
in Neuropharmacology"

27-28th February 2010

Convener
Dr. Milind J. Umekar
Co-ordinator
Dr. Rajesh R. Ugale

Venue
SMT. KISHORITAI BHOJAR COLLEGE OF PHARMACY

Behind railway station, Kamptee, Nagpur- 441 002

The Institute

SKB college of pharmacy is one of the prestigious institute of central India imparting quality education in pharmaceutical sciences and decisively involved in the several research areas like neuropharmacology, nanotechnology, plant based medicines, drug analysis etc. It is located in historical place of Kamptee and just 16 Km from Nagpur and well connected by railway and bus routes. The beautiful campus of the institute is spread over an area of 35 acres. Well equipped sophisticated laboratories, e-library, well qualified and experienced faculty as well as consistent high academic standards made it one of the leading institutes in pharmaceutical sciences and research.

Source of Inspiration

Prof. C. T. Chopde

Head

Pharmacology Division, SKB College of Pharmacy, Kamptee, Nagpur

He is a former Head of Pharmacology Department, UDPS, Nagpur and is a professionally legend in Neuropharmacology. He nurtured the neurobehavioral research through his long experience within India and abroad. He is awarded as Fellow of Indian Chemist. His research work has been published in several National and International peer reviewed journals. He has served for many National and International Professional Societies and Scientific bodies to a great extent. In brief, he popularizes the neuroscience research not only in region but throughout the India.

Prof. N. K. Subhedar

Indian Institute of Science Education and Research, Pune

He is a committed neuroscientist who has studied brain of lower vertebrates with emphasis on neuroanatomy, neuronal connectivity, neuropeptide network and neuroendocrine regulation of pituitary. He is awarded as Fellow of National Academy of Sciences and serving for several important high level bodies of central Govt. like DST. His research has been published in more than 100 peer reviewed International journals. He has successfully completed 14 research projects with total outlay of more than one cr. His research is conferred with many National and International awards.

Programme Highlights

The workshop has been designed to provide the excellent opportunity to participant to understand the recent methodology in the neuroscience research.

Participants

Young researchers, Ph. D. students, PG students and faculty members of universities and colleges, who are keen to undertake research in structural neuroscience, are invited to apply. The number of participants shall be limited to a maximum of 50.

Registration Fees

Registration fees of Rs. 500/- (Five hundred only) by DD drawn in favor of Co-ordinator, National workshop, payable at Kamptee

Accommodation

Shall be provided on prior intimation and will be charged separately

Transport

Transport vehicle will be available at 8.00 am at variety square, Sitabuldi, Nagpur.

Application

Interested candidates are requested to apply in the prescribed format. The application should be forwarded through the Head of the organization. The last date of receipt of application is 25th February 2010.

Programme Schedule

27-2-2010

9.00 am	Inauguration and keynote address by Dr. Dinesh Kumar, Secretary, Indian Pharmacological Society Asst. Director, National Institute of Nutrition Hyderabad.
---------	--

27-2-2010 & 28-2-2010

The programme constitutes plenary lectures, demonstrations and extensive hand on training to the participants on the following techniques

Surgical Techniques

- Intra cranial cannulation
- Perfusion and isolation of rodent's brain
- Spinal cord injury
- Neuropathic pain

Behavioral Paradigms

- Morris water maze
- Active avoidance test
- Conditioned place preference
- Conditioned avoidance response
- Vogel's conflict test
